

Remarks

Claim 19 is pending in the application. Claims 20-23 were withdrawn from consideration as being directed to a non-elected invention. 37 C.F.R. § 1.116 and M.P.E.P. § 1206 provide that an amendment filed after the date of filing a notice of appeal, but prior to the date of filing a brief, may be submitted to "comply[] with any requirement of form expressly set forth in a previous action" or to "present[] rejected claims in better form for consideration on appeal." 37 C.F.R. § 1.116; see also M.P.E.P. § 1206. Applicant submits that the amendment replacing the word "package" with "box" is made to comply with a requirement of form made in an advisory action dated July 10, 2006. Applicant submits that the amendment adding the word "outer" is made for clarification and to present claim 19 in better form for consideration on appeal. Therefore, Applicant requests that these amendments be admitted.

Conclusion

Applicant has submitted amendments to claim 19 in compliance with 37 C.F.R. § 41.33 and § 1.116 and requests that these amendments be entered. The Examiner is asked to call the Applicant's attorney to resolve any issues regarding these amendments.

CERTIFICATE OF MAILING

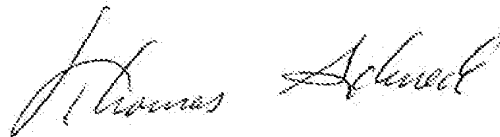

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
